Dear Sirs,

United States Patent No. 7350236
Applicant: Silverbrook Research Pty Ltd
Application No.: 09575186
Our Ref: NPA020US

The "Small Entity" status on the abovementioned patent was amended to "Large Entity" in September 5th, 2011.

At the time of paying our maintenance fee electronically this amendment had not been completed and therefore the system would only allow us to pay US490 as Small Entity and not US\$980 for Large Entity. To rectify the shortfall in the required fee, please debit our Deposit Account No.504049.

Also attached are copies of the status amendment request letter and the maintenance fee statement for your reference.

Thank you for your assistance in this matter.

Yours faithfully
